

## ▶ LED Canopy & Parking Garage Lights

### Features

- ◆ 70% less power consumption compared to HID lamps
- ◆ 50,000 life hours vs. 10,000 to 15,000 for HID lamps
- ◆ Powerful lumen output combined with effective light distribution
- ◆ Adjustable CCT 3K/4K/5K
- ◆ Bi-level motion sensor option available

### Applications

- ◆ Gas stations
- ◆ Commercial awnings
- ◆ Entry ways
- ◆ Covered walkways
- ◆ Loading areas
- ◆ Parking garage lighting
- ◆ Other general lighting

### Product Description

The SunRiver G2 LED Canopy light offers significant energy savings, superior performance, reduced maintenance and unsurpassed durability in a fixture that is designed with a modern aesthetic and more streamlined profile than seen in traditional canopy lighting fixtures. SunRiver canopy lights deliver enhanced lighting control with adjustable Kelvin temperatures and dramatically improved lighting values, resulting in better uniformity and overall visibility. Bi-level Motion sensor option available. Housing available in brown or white (pictured).

### Technical Data

| Product No. | Watt | Size(inch) | CCT         | Luminous Output | Voltage    |
|-------------|------|------------|-------------|-----------------|------------|
| LTRSC25W    | 25   | Φ10*3.1    | 30K/40K/50K | ~3250lm         | AC120~277V |
| LTRSC40W    | 40   |            |             | ~5200lm         |            |
| LTRSC55W    | 55   |            |             | ~7150lm         |            |
